Recipe of the Week

Strawberry-Cucumber Ice Pops

Using frozen strawberries ensures a consistent sweetness and vibrant red color.

Serves 24 to 30

Ingredients

- * 2 English hothouse cucumbers, peeled, chopped
- * 4 10-ounce bags frozen strawberries
- * 1½ teaspoons finely grated lime zest
- * ½ cup fresh lime juice

* ½ cup sugar

* Pinch of kosher salt

Directions

1. Purée 1 cucumber and half of strawberries, lime zest, lime juice, and sugar in a blender until very smooth; transfer to a large pitcher or measuring cup. Repeat with remaining cucumber, strawberries, lime zest, lime juice, and sugar. Season with salt and stir to combine.

2. Pour strawberry-cucumber mixture into ice-pop molds. Cover and insert sticks. Freeze until solid, at least 4 hours. Dip molds briefly in hot water to release pops.

Do Ahead: Ice pops can be made 1 week ahead. Keep frozen.

Additional Vendor Space Available

We have expanded our market to include more vendor spaces for all; crafters, prepared foods, farmers & other non-farmer booths. Visit our [website](#) to learn more.

Free gardening advice

Chelan county is blessed with folks who love to grow plants. This year, we welcome back the Master Gardeners Pam & Patty, every week at the Market's Information Booth. So bring in your wilted leaves and those unidentifiable critters munching wildly in your yard and see what the Master Gardeners have to say.
