Wine tasting & selling - Now at the market!

This week is our first week to be sampling and selling local fruit wines at the market. **Spencer Fruit Organics** has been making their popular wines for quite a while and is coming up from Malaga (near Wenatchee) to share them with us all. Bruce personally crafts the wines in very small batches with fruit grown on his 5th generation farm. He uses only premium quality fruit that is so ripe it is practically dripping off the tree, for a "late harvest" intensity of flavor that has made their wines so popular. Come and try their wonderful wines!!

Opening day a big success!

Thanks to all our wonderful vendors, and all the locals that came out to help us kick off our 3rd season in style! We have a growing market with many new faces sharing their passion for local foods and crafts. The Master Gardeners will be there every week to answer your "growing" questions too. Come down and enjoy the evening with us!
