Farm Markets a great family destination

Whether you're looking for fresh from the farm produce, garden plants or locally made specialty foods and home goods, a community farmers market can be a great family-friendly destination.

At Chelan Thursday Evening Farmers Market we have anywhere from 20 to 28 vendors, with a nice mix of things for our customers. Maybe that's why our market is so popular.

Offerings include vegetables and herbs from family-owned small farms and backyard gardeners, beautiful cut flowers, fresh in-season fruits, artisan cheeses, raw honey, delicious prepared foods, a plethora of handmade crafts & Art, and live entertainment.

The market is open 4p.m. to 7p.m. through Oct. 3rd. Come for the shopping, meet a local farmer, producer or crafter, stay for the great family-friendly atmosphere and entertainment.

Who is playing at the stage for Music at the Market this week?

Mike Bills Guitar and slide guitar ranging from classic jazz standards to classic country to blues and contemporary artists like Jack Johnson and Jason Mraz
