A GREAT market rain & shine!

It was a rainy night last week, but still a fun market! Thanks to everyone who came out! We had a good turnout even with the bad weather. It sure was nice and warm (and delicious smelling) by the pizza oven!

I appreciate all those vendors that called or emailed to let me know ahead of time that you wouldn't be able to attend last week. It makes such a difference in planning the layout of the market.

This photo from an article in The Chelan Mirror

Whats Fresh

This week at the market you will find strawberries, greens of all kinds, salad mix, arugula, spinach, redleaf lettuce, greenleaf lettuce, romaine lettuce, Italian kale, curly kale, basil, red beets, golden beets, herbs, plant starts, wood-fire baked pizza, hummus, all types of baked goods, hotdogs, flowers, locally roasted coffee, Orn's delicious Pad Thai Sauce, Thai iced tea, & more!

A Bark in the Park

Next week the Market goes to the dogs... Well actually the dogs go to the market, to take part in the markets first event, A Bark in the Park!

- **When?** June 21st at 6 pm during the Chelan Evening Farmers Market
- **Where?** Riverwalk Park Flagpole area
- **Why?** To give dogs a chance to excel and get their owners a free glass of cider.

There will be a best costume and best trick competition with prizes as well as a Smellathon where the dogs compete against themselves to find hidden treats at seven separate

challenge stations.

Three judges will assess the dogs during the costume and trick competition using placards (American Idol Style). There will be free cider from Orondo Cider Works for all humans participating with their dogs.

Jon Luke, legendary local dog trainer, will supervise the competition and the Smellathon. Jon also designed the seven station challenges for the dogs to allow them all to go home winners.

Come join the fun and give your dog a night to remember!

WIND!

June is historically a windy time for us at the market. Please make sure YOU ARE PREPARED! Gallon jugs of water, bricks, canopy weights...your choice, but you MUST have a way to secure your canopy in a wind gusts. To be safe, if you do not have weights, we will ask that you not set up your canopy. If you'd like some easy self-made canopy weights [visit our site](#).

The Draft Sustainability Element

Will be reviewed at a Special Joint City Council and Planning Commission Meeting this Thursday, June 14th, at 6 pm. Come take part in the future of our community.

The first four topics included in the Draft Sustainability Element are Food and Agriculture, Waste Reduction and Recycling, Government Operations, and Sustainability Learning and Awareness.

You can [check out the Video](#) of April 17th Edible Chelan event produced by Ed Isenhart created at the kickoff

event. Nice work!
