Recipe of the Week

Perfect Bite: Apricots and Creme Fraiche

The golden globes of the fruit world make tart-sweet "cups" for dollops of tangy creme fraiche, creating a delightful union of flavors. Serve these as a snack or starter -- anytime you want a bite (or two) of sunshine.

Ingredients

- * Just-ripe apricots, halved and pitted
- * Creme fraiche
- * Freshly ground pepper
- * Cilantro sprigs

Directions

1. Fill each apricot half with a dollop of creme fraiche. Sprinkle with pepper and top with cilantro sprigs.

Free Gardening Advice

Chelan county is blessed with folks who love to grow plants. This year, we welcome back the Master Gardeners Pam & Patty, every week at the Market's Information Booth. So bring in your wilted leaves and those unidentifiable critters munching wildly in your yard and see what the Master Gardeners have to say.

Friends-of-the-Market

What is the best way to have vibrant community farmers markets?

By making your purchases from local farmers/crafters each week.

If you want to do more to make this a market you can *be proud of*, consider becoming a **Friend-of-the-Market**.

Learn more about this program at the market booth located at the front of the market.
